The Secretary performs other duties as may be imposed by the advisory body consistent with the office.

   - Motion made by Deborah Drake for Barbara Vargen-Kothevar and second from Anthony Hodge Vote 5-0

8. **Items for Discussion and/or Action**

   A. Update on the Rodeo Town Center and the proposed Rodeo Senior Facility

   - Maureen Toms, from the Department of Conservation and Development, update the Rodeo MAC on the Rodeo Town Plaza and the Rodeo Senior Housing Project/Facility. Ms. Toms gave a presentation by showing the plans and letting everyone know that they are currently working with a developer for the Rodeo Town Plaza. It will include commercial, a town plaza, and housing. The Rodeo Senior Housing Project is on its way and they are also negotiating with the developer on this project. The project will include studios, 1 bedrooms, and 2 bedroom units.

Contra Costa County is also asking for s new senior center yet still trying to find the funding for it. This project is on a faster pace then the town plaza because public funding will help finance it.

B. Lefty Gomez Sign on Willow Avenue

- Dominic Aliano gave the follow up presentation on this matter from the previous meeting and informed the Rodeo MAC that it would approximately cost $2,500 to demolish the sign and $1,500 to put some wrap around it. Did not have any information on how much it would cost to paint.
- Barbara Vargen-Kotchevar mentions that the sign is in such bad shape and wishes that some money could be found to improve it.
- Anthony Hodge recommended using Rode MAC funds and that there needs to be something nicer for Rodeo.
- Theresa Foglio mentioned that it sends a message to Rodeo if the money cannot be found.

9. **M.A.C. Committee and/or Member Reports**
___Deborah Drake _____Anthony Hodge _____Theresa Foglio____Barbara Vargen-Kotchevar____Lauren McCollins

- Deborah Drake – Mentioned that there is a new refinery manager for Phillips 66 and that all community events are cancelled.
- Theresa Foglio – Gave an update on the sidewalk improvements going on in Rodeo.
- Lauren McCollins – Shared interest in a Rodeo Instagram.
- Anthony Hodge – Informed everyone that New Horizons is still open but funds have dried up.

10. **Future Agenda Items:** REVIEW & DISCUSS

- The new refinery manager, Rodeo Instagram, Rodeo Creek, Golden Gate Academy, Swearing In Ceremony.

11. **Adjournment**

Hello Everyone.

Attachment 1

Here is a summary of current issues with the district.

A lot has changed in the past week. As many of you know, Governor Gavin Newsom laid out new rules that will require schools in counties with high rates of coronavirus infections to keep campuses closed until they can meet certain public health standards, the broadest move yet in the U.S. to mandate virtual learning for the fall. Schools located in counties that are on the state's coronavirus watch list must not physically open for instruction until they have cleared several public health benchmarks for 14 consecutive days. As of Friday, 32 of California's 58 counties were on the state's watch list, **including Contra Costa County**. As such, we will begin the year in All Distance Learning mode. About 80 percent of California's population lives in a watch list county. The order applies to all schools, including private and charter programs that might have been planning to run in-person classes.

For schools that do reopen, all staff, as well as students in the third grade and above will be required to wear a face covering. We plan on taking that a step a bit further and expecting **all** of our students and staff to wear a mask or face covering while on campus. This is the best way for us to keep everyone safe. An official in the Newsom administration indicated that California is the first state to take school mask enforcement further and will exclude students from schools if they refuse to wear a mask and force them to partake in distance learning instead.

The Governor's orders also require that teachers in schools able to reopen will be routinely provided coronavirus testing by their districts. Schools must physically close and return to distance learning if at least 5 percent of students and staff test positive for the virus within a two-week period, under the new requirements. Entire districts must close if 25 percent or more of its schools have been closed due to COVID-19 for two weeks. We are currently working with our County Superintendent of Schools and our County Health Department to identify how this will play out in our schools and District.

Knowing that we will begin the year in All Distance Learning Mode, we are putting our efforts into developing a robust and rigorous Distance Learning program. We have an active group of teachers working on developing a daily schedule for students, daily live "Zoom" lessons, synchronous and asynchronous learning activities, systems for support, and grading.. It is our goal to ensure that every child is fully engaged every day! We are also developing strategies and supports for our English Learners and students with Special Needs.

It is very hard to predict when we can return to in-person learning. The one thing we can predict about

the coronavirus is that things will be unpredictable! We do have a plan for keeping students and staff as safe as possible if/when in-person learning begins. While all of this is challenging, we know we can do this together! If you have any questions or concerns, please feel free to reach out to Charles Miller directly at 925-639-7408 or by email at cmiller@jsusd.org. Thank you and stay healthy!

Warm Regards,
Deborah Brandon

GRANT APPLICATION
Funding Request Form

7. Provide a brief description of other funding sources, if any, and the amount of funding provided:

Contra Costa County will spend $69,326.00 from 07/01/2021 to12/31/2021 to fund eighteen hours of library services, purchase books, and DVDs, maintain computers, provide access to electronic resources, and maintain the building. Please see Attachment 1.

8. List all other sources for which project funding has been or will be applied for:

For many years Conoco Phillips (now Phillips 66) has generously pledged $5,000 to support the Rodeo Library. The Contra Costa County Library will contribute $1768.00 towards the extended hours during the second half of the 2020-2021 fiscal year.

9. Explain how funds from the RMAC would be used:

The County currently funds nineteen weekly hours of library service in Rodeo. RMAC funds will pay for four additional hours of service per week for the second part of the fiscal year from *July 1, 2021-December 31, 2021* This grant application is requesting $5,000.00. The requested funds will continue evening operations twice weekly, and will also allow the library to be open one extra hour each Saturday. The library recognizes that library users have diverse schedules, and it is our goal to serve those whose daily commute and work schedules do not let them visit the library during weekdays.

10. Explain the benefits Rodeo will receive from the project:

Now more than ever the additional hours at the Rodeo Library are critically important to the community of Rodeo. One of the most important and popular services in the Rodeo Library is use of the public internet stations. The Rodeo Library's computer stations are almost always in use for such activities as filling out job applications, finding tax information, communicating long-distance with family and friends, and doing homework. Evening hours allow community members to do such activities at convenient times.

Due to transportation issues, many Rodeo residents, particularly children and teens, are able to use only the Rodeo Library. Increased hours at the Library offer improved access to library materials for use in their school work and for pleasure reading. The Rodeo Library staff gives class visits and library cards to all of the first grade classes at Rodeo Hills Elementary School as well as making regular visits to the Rodeo Child Development Center. This important introduction to the Library and reading for the children of Rodeo will impact their education positively for years to come.

The Rodeo Library remains an important part of the community's civic life. It offers such activities as story time, a weekly game time, and arts and crafts programs. In the last year, 2019-2020, it has provided numerous programs of a wide variety to satisfy the interests of the community. Attachment 1 includes the budget *appropriations* for FY20-21.

11. How does this project fit into the purpose and objectives of the funding guidelines?

The Rodeo Good Neighbor Agreement states that distributed funds "must be used for community benefits which may include Educational, Environmental, Recreational, Economic Development, Infrastructure or Community Services, and will benefit the community at large." The library directly supports at least three of these elements of community life: educational goals through access to research materials for all, recreational goals by way of freely lending books and media to any resident with a library card, and economic development through a strong effort to support entrepreneurs and small businesses with up-to-date books and recommended e-resources. In all of these endeavors, professional staff-members are available to assist customers both on site and through our web site at ccclib.org.

12. Provide a description of the purpose, budget, and timetable for the project:

The purpose of the project is to increase access to library resources for the community of Rodeo. The cost of the extended hours will cover the period of *January 1, 2021- June 30, 2021.* Attachment 1 includes the budget *appropriations* for FY20-21,

Rodeo Library Service Program

Program cost for staffing of four additional hours bi-annual cost:

Classification	Cost
STAFFING:	$6063.20
BUILDING OCCUPANCY COSTS:	$705.52
Total Cost per 4 Additional Hours:	$6768.72

13. Briefly describe the structure of the project's managerial responsibilities (project planning, accounting, and implementation):

The project will be managed by Contra Costa County Library. The County Library will do the planning and implementation of all project-related activities and will provide an accounting of the expenditure of the funds.

14. Summarize the organization's experience relative to the proposed project:

Contra Costa County Library has administered similar grants from the Rodeo Municipal Advisory Council over the years. It is largely through the generosity of this grant that Rodeo Library is able to provide library service to the community of Rodeo 4 days a week. Additionally, Rodeo Library offers Lunch at the Library during the summer for those under the age of 18, bubble shows, clown shows, board game time, author talks, animal visits, craft workshops and many more programs to help supplement the rich culture of the Bay Area.

15. If there are similar programs or services provided by another entity, how will duplication of efforts be avoided?

There are no other public libraries in Rodeo.
