Ron wants to address the sentiment on Next Door that burglaries may be reduced with new gate system. P-2A has averaged 1.7 burglaries per year with 2020, 2021 and thus far in 2023 with none so P-2A does not have a burglary issue. In addition, it appears all burglaries in last five years have been related to peripheral access not gate access.

10. Adjourn at 6:31pm

All public comments will be limited to two minutes apiece. Your patience is appreciated. For assistance with remote access contact: cameron.collins@bos.cccounty.us
