Authorized Agents for Contractor

The people below are authorized to act as my agents with full signature authority in the Contra Costa County Permitting Process. I understand that it is my responsibility to notify the County in writing when these agents are no longer employed by me so their ability to pull permits on my behalf will be disabled on the ePermits Center site. Below are the agents for my company that I have indicated to add or delete.

Each Agent requesting an account must 1.) Provide a unique email address, 2.) Sign the ePermits Center Contractor User Agreement form and 3.) Submit a copy of the Agent's Driver's License. Agent's ePermits Center account will not be created if all necessary documentation is not received.

Contractor Agreement

In addition to in-person permitting and application processing, electronically submitting building permit applications, paying related fees, and issuing permits electronically ("Electronic Permit Service") is available in Contra Costa County.

By submitting this agreement, I, the undersigned applicant, agree to the following terms and conditions of the Electronic Permit Service described herein.

1. Indemnification. I agree to indemnify and hold harmless Contra Costa County, its officers, employees, and agents ("County"), from and against any and all claims, demands, actions and damages resulting from operations under any permit issued using the Electronic Permit Service, regardless of negligence of the County, and to assume the defense of the County against all such claims, demands, actions, and damages.

2. Modification and Termination of Service. At any time, County or applicant, at its sole discretion, may discontinue its use of the Electronic Permit Service. At any time, County, at its sole discretion, also may terminate the undersigned applicant's account and require the applicant to submit all future building permit applications in person or by mail. County shall not be liable to the undersigned applicant or any third party for any modification to or discontinuance of the Electronic Permit Service. Upon termination of the undersigned applicant's account, all information retained in that account will be deleted.

3. Applicant Conduct. The undersigned applicant shall comply with this Agreement and all local, state, and federal laws and regulations while using the Electronic Permit Service. The undersigned applicant shall not: (a) interfere with the use and enjoyment of the Electronic Permit Service by other users; (b) impersonate any person or entity or misrepresent its affiliation with a person or entity; (c) permit any third-party to access the applicant's Electronic Permit Service account using the applicant's id(s) and password(s). The applicant shall notify County immediately upon determining that the applicant's account was accessed by a third-party.

I understand that my actions or my agents' actions to submit building permit or planning applications through the ePermits Center will serve as an electronic signature on the application(s) as provided for under California Civil Code 1633.1 - 1633.17- Electronic Transactions.

I hereby affirm that I am licensed under provisions of Chapter 9 (Commencing with Sec. 7000) of Division 3 of the Business and Professions Code, and my licenses are in full force and effect.

Under penalty of perjury under the laws of the State of California, I declare that I have read the foregoing document and that the facts stated in it are true. Additionally, I agree to the terms and conditions of the ePermits Center.
