NOTES:
1. For Manhole General Notes and Details, see Standard Plan CD35.
2. Construction joints are optional where shown. Other locations are subject to approval by the Public Works Department. Key dimensions are 1/2" x 3".
3. Inlet and outlet pipes shall not intersect a manhole base through a corner. If skew angle is too great to permit the opening to be made in a single wall, use a Type II manhole base. (See Std Plan CD32).
