Round Hill (P-5)  
Alamo, California  

Minutes of Meeting on July 11, 2018

Committee Members in Attendance: Rick Kopf, Mark Young, Lee Mlejnek, Ally Fattore, Linda Schultz, Nate Ball, Jan Afridi, Jason Dudum

Committee Members Absent: Tony Anastanio, Mark Cordone, Bob Besse

Guests in Attendance: Deputy Jennifer Yen, Lt. Jason Haynes

The P-5 Advisory Committee met at the Round Hill Country Club. Mark Young called the meeting to order at 7:02 PM. Minutes of the June 13, 2018 meeting were approved by motion made, seconded and passed unanimously.

Public Comment: Lt. Haynes discussed the amount of overtime flexibility that P-5 Deputies have and how much of a reduction is practical. Cutting the overtime hours in half is manageable and the Committee will need to determine if this would make any significant contribution to preserving the Reserve Account.

Financial Report: Lee Mlejnek presented the financial report for Bob Besse. The Total Officer Expense for April was $49,719.00. Non-Officer Expense was $11609.00. This resulted in a deficit of $7469.00 for the month.. The deficit for the year through May is $46,208.00 and the projected Reserve Account balance will be approximately $130,000.00 at the end of the fiscal year (June 30, 2018). It is estimated that the surplus will be depleted in the next two years if Police Services remain at the current level.

P-5 Activity Report: Deputy Yen presented the Activity Report. June was a quiet month with patrol requests and service to citizens being the primary activities.
Loud parties and civil issues were also dealt with. Speed control in The Round Hill area continues with deployment of the radar trailer.

In June Sheriff’s Volunteers patrolled 27 (537 YTD) Round Hill Streets and issued 15 (177 YTD) warning notices to assist Residents in aiding in the prevention of their becoming victims of crimes of opportunity.

New Business: none

Old Business: Again most of the time at this meeting was spent in discussion about how to proceed with the financial issues that face the P-5 District. It was determined that the most important task is to raise the awareness of the District to the existence and purpose of the P-5 Advisory Committee. A Nextdoor survey as a first step in evaluating the Resident’s desire for continuing the level of Police Services now in place or reducing or increasing the coverage will be tried. If this is not successful in getting enough feedback then a mailed survey will be considered.

The meeting was adjourned at 8:00 PM.

Respectfully submitted by Lee Mlejnek.
