

FOR IMMEDIATE RELEASE

***Contra Costa County Public Works to Extend
Maintenance Work on Byron Highway***

October 31, 2018, Brentwood, CA – Contra Costa County Public Works Department will extend the maintenance roadwork on Byron Highway between State Route 4 and Byron Hot Springs Road. The roadwork will now be completed on **Friday, November 9th**, barring any unforeseen circumstances.

The roadwork will consist of grinding and base failure repairs. Grinding involves the use of a tractor to excavate damaged pavement and replace it with new pavement. The work may be rescheduled based on weather conditions. Electronic message boards will alert drivers of the scheduled work. There will be traffic control through the work area and motorists can expect delays.

About Contra Costa County Public Works Department:

Contra Costa County Public Works Department (CCCPWD) maintains over 660 miles of roads, 150 miles of streams, channels and other drainage and over 200 County buildings throughout Contra Costa County. CCCPWD provides services such as Parks and Recreation, Sand Bag Distribution and Flood Control throughout unincorporated areas of Contra Costa County. CCCPWD operates two airports, Buchanan Air Field in Concord and Byron Air Field in Byron. For more information about CCCPWD, please visit us [here](#).
