BACKGROUND:
This Side Letter arises out of a formal request to bargain as a Union Coalition over healthcare by AFSCME Local 512, AFSCME Local 2700, Contra Costa Public Defenders Association, Deputy District Attorneys Association, IFPTE Local 21, Physicians & Dentists Organization of Contra Costa, Public Employees Union Local 1, SEIU Local 1021, and Western Council of Engineers. The County agreed to discuss the issue in the context of a possible contract extension. Like the Coalition, the County wanted to explore options that would meet the needs of our employees and provide financial stability for the County. The Union Healthcare Coalition included nine unions/associations (AFSCME Local 512, AFSCME Local 2700, Contra Costa Public Defenders Association, Deputy District Attorneys Association, IFPTE Local 21, Physicians & Dentists Organization of Contra Costa, Public Employees Union Local 1, SEIU Local 1021, and Western Council of Engineers). Six of these organizations had current contracts, which were set to expire on June 30, 2019 (AFSCME Local 512, AFSCME Local 2700, IFPTE Local 21, Public Employees Union Local 1, SEIU Local 1021, and Western Council of Engineers), and three had open contracts (Contra Costa Public Defenders Association, Deputy District Attorneys Association, and Physicians & Dentists Organization of Contra Costa).

After efficacious bargaining, the County and Union Healthcare Coalition reached a Tentative Agreement on healthcare for employees on November 13 (although bargaining as a Coalition over healthcare, those organizations with open contracts continue to negotiate over other terms and conditions of employment).

The six unions with current contracts immediately began the process of conducting ratification votes. The attached Side Letters are effective following ratification by the individual unions and approval of the Board of Supervisors. Note that this action impacts six unions but there are eight side letters recommended for Board approval because Local One and Local 1021 have separate MOUs for their supervisor and rank and file units. In summary, the County and the unions agreed to modify three sections and add one section to each MOU. All other terms and conditions of the MOUs between the County and unions (July 1, 2016 – June 30, 2019) remain unchanged.

1. **Duration of Agreement**
   - The term of the agreements was extended through June 30, 2022.

2. **General Wages**
   - Effective July 1, 2019, the base rate of pay for classifications represented by the Unions will be increased by four percent (4%).
   - Effective July 1, 2020, the base rate of pay for classifications represented by the Union will be increased by three percent (3%).
   - Effective July 1, 2021, the base rate of pay for classifications represented by the Union will be increased by three percent (3%).

3. **Health, Life, & Dental Care**
   - The County will adjust its monthly premium subsidies to cover at least the increases for the 2019 plan year.
• Beginning January 1, 2020, the County will provide a premium subsidy of up to 75% of the second lowest priced non-deductible HMO plan (currently Kaiser A) for Employee and Employee +1, and 76.5% for Employee +2 or more.
• Beginning January 1, 2021, the County will provide a premium subsidy of up to 78.5% of the second lowest priced non-deductible HMO plan for all tiers.
• Beginning January 1, 2020, the County will provide a premium subsidy of up to 80% of the second lowest priced non-deductible HMO plan for all tiers.
• Annual contributions into an HSA for active employees who are enrolled in an eligible High Deductible Health Plan and who have an HSA.
• Expanded purview of the Joint Labor/Management Benefits Committee.

4. Non-Healthcare/Non-General Wage Re-opener

• During the months of August through October, 2020, the individual unions may request to reopen their MOU for the limited purpose of negotiating over a specific and finite list of non-healthcare/non-general wage/non-lump sum issues identified by the union and agreed upon by the County. The total cost to the County to address the issues that the union requests to negotiate about during the re-opener will be limited to the union’s share of $2 million that will be allocated among the nine unions of the 2018 Healthcare Coalition. The $2 million will be divided on a per capita basis of total union-represented employees per union as of October 1, 2018. The $2 million will have a start date no earlier than January 1, 2021.

Permanent full-time and permanent part-time employees represented by Unions, who have finalized an agreement for new medical plan rates for 2019, will be offered a Special Open Enrollment period from December 4 – 6, 2018.

CONSEQUENCE OF NEGATIVE ACTION:
Members will not receive wages nor benefits agreed to in the tentative agreement between the Healthcare Coalition and the County.

The 2-tier premium structure in effect for the 2016 plan year will continue to apply to eligible retirees until such time as the County implements a 3-tier premium structure for a majority of all eligible County retirees participating in County health plans.

B. If the County contracts with a medical and/or dental plan provider not listed above, the amount of the premium subsidy that the County will pay to that medical and/or dental plan provider for employees and their eligible family members shall not exceed the amount of the premium subsidy that the County would have paid to the former plan provider.

C. In the event that the County premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any medical and/or dental plan, for any plan year, the County’s contribution will not exceed one hundred percent (100%) of the applicable plan premium.

D. Joint Labor/Management Benefit Committee.
   1. The Union will join the Joint Labor/Management Benefit Committee ("Benefit Committee") created in 2016. The Benefit Committee will be composed of two (2) representatives (not including Union/Association staff) from each
Union/Association in the County and Management representatives to be determined. The Benefit Committee replaces the existing Healthcare Oversight Committee. The existing Healthcare Coalition will remain, but may meet quarterly.

2. that The Benefit Committee will convene in order to 1) select a replacement medical or dental plan in the event that a plan listed in this Section 26 is no longer available; 2) design a wellness program; 3) discuss future medical, dental, or vision plan design; or 4) assess the future impact of any excise tax pursuant to the federal Patient Protection and Affordable Care Act (“ACA”) (42 U.S.C. § 18081) on any high cost medical plans offered by the County. If the Benefit Committee is selecting a replacement medical or dental plan for a plan that is no longer available, the selection must be unanimously agreed upon by the Union/Association representatives on the Committee and any such selected plan will be available to employees represented by the Unions and incorporated into their respective MOUs after ratification by each Union/Association. The Union may begin participating in the Benefit Committee following ratification of this MOU.

3. Immediately upon adoption of an overall contract extension package agreement, the County and the Coalition Union/Association Benefit Committee representatives will work together as equal partners to 1) identify a new medical plan carrier to replace Health Net, and 2) explore the costs of CalPERS Health and other plan options including but not limited to the SEIU Taft-Hartley Trust plans as possible future replacements with the goal of beginning with the 2020 plan year. Any replacement plans selected must not increase the County’s retiree health costs.

4. The new medical plan carrier that will replace Health Net must include an HMO plan and one plan providing out-of-network provider coverage.

5. Once all nine (9) Coalition Union/Association representatives on the Benefit Committee and the County have agreed on the new medical plan carrier to replace Health Net, the new medical plan will replace Health Net for all Coalition Unions/Associations the following January 1.

6. Each year, County will coordinate a team composed of the County, the County’s benefits consultant, and Union/Association Benefit Committee representatives, to work as equal partners to provide input for the annual negotiations with the medical plan providers over the plan premiums for the next plan year. The team will have authority to make information requests, request and observe presentations by the County’s healthcare consultant regarding premium rates and ask questions, and help guide the strategy of the County in the annual negotiations.
7. County and Unions/Associations of the Coalition will jointly work to educate employees regarding the cost benefits of lower cost plans, including the Kaiser High Deductible Health Plan.

1. For active employees for the plan year that begins on January 1, 2020, the County will move to a percentage-based cost sharing approach for medical care premium subsidies. The County will pay seventy-five percent (75%) of the total medical plan premium for the Employee and Employee +1 Dependent tiers of the second lowest priced non-deductible HMO plan. The County will pay 76.5% of the total medical plan premium for the Employee +2 or more Dependents tier of the second lowest priced non-deductible HMO plan. These annual calculated dollar amounts will be applied to all plans and tiers as described.

2. For active employees for the plan year that begins on January 1, 2021, the County will pay seventy-eight and a half percent (78.5%) of the total medical plan premium for each tier of the second lowest priced non-deductible HMO plan. This annual calculated amount will be applied to all plans and tiers, except Kaiser Permanente Health Plan B.

3. For active employees for the plan year that begins on January 1, 2022, and each year thereafter, the County will pay eighty percent (80%) of the total medical plan premium for each tier of the second lowest priced non-deductible HMO plan. This annual calculated dollar amount
will be applied to all plans and tiers, except Kaiser Permanente Health Plan B.

4. **For active employees for the plan year that begins on January 1, 2021, and each year thereafter, for the Kaiser Permanente Health Plan B, employees will pay at least the following share of the total medical plan premium:**

5. **In the event of a reduction in the premium for the second lowest priced non-deductible HMO plan, the County will pay the premium subsidy for medical plans that the County paid in the previous plan year.**

**G.** Beginning 2022, the County will review technological advancements in the area of benefits administration and consider asking any eligible employee who waives County health insurance to provide proof of other health insurance coverage.

26.8 **Life Insurance Benefit Under Health and Dental Plans:** For employees who are enrolled in the County’s program of medical or dental coverage as either the primary or the dependent, term life insurance in the amount of ten thousand dollars ($10,000) will be provided by the County.

26.9 **Supplemental Life Insurance:** In addition to the life insurance benefits provided by this agreement, employees may subscribe voluntarily and at their own expense for supplemental life insurance. Employees may subscribe for an amount not to exceed five hundred thousand dollars ($500,000), of which one hundred thousand ($100,000) is a guaranteed issue, provided the election is made within the required enrollment periods.

26.10 **Health Care Spending Account.** After six (6) months of permanent employment, full time and part time (20/40 or greater) employees may elect to participate in a Health Care Spending Account (HCSA) Program designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a predetermined amount of money from their pay, not to exceed the maximum amount authorized by federal law, per calendar year, of before tax dollars, for
health care expenses not reimbursed by any other health benefit plans. HCSA dollars may be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Any unused balance is forfeited and cannot be recovered by the employee.

26.11 **PERS Long-Term Care:** The County will deduct and remit monthly premiums to the PERS Long-Term Care Administrator for employees who are eligible and voluntarily elect to purchase long-term care at their personal expense through the PERS Long-Term Care Program.

26.12 **Voluntary Vision Plan:** Beginning no earlier than the 2017 plan year, active full-time project and active part-time project employees will be offered the opportunity to enroll in a voluntary vision plan. Employees will pay the full premium costs of the plan. The County will contract with a provider for a voluntary vision plan with no co-pays. The vision plan is not available to permanent-intermittent employees.

26.13 **Health Savings Account:** Beginning no earlier than the 2017 plan year, active full-time project and active part-time project employees who are enrolled in the Kaiser High-Deductible Health Plan may elect to enroll in a Health Savings Account (HSA). Employees may contribute up to the maximum annual contribution rate for HSAs as set forth in the United States Internal Revenue Code. Funds contributed to the HSA are invested as directed by the employee. The County does not provide any recommendations or advice on investment or use of HSA funds. Employees are responsible for paying any HSA account management fees charged by the HSA administrator. The County does not manage or administer the HSA. The HSA is not available to permanent-intermittent employees.

26.1412 **Dependent Care Assistance Program:** The County offers the option of enrolling in a Dependent Care Assistance Program (DCAP) designed to qualify for tax savings under Section 129 of the Internal Revenue Code, but such savings are not guaranteed. The program allows employees to set aside up to five thousand dollars ($5,000) of annual salary (before taxes) per calendar year to pay for eligible dependent care (child and elder care) expenses. Any unused balance is forfeited and cannot be recovered by the employee.

26.1513 **Premium Conversion Plan:** The County offers the Premium Conversion Plan (PCP) designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to use pre-tax dollars to pay health and dental premiums.
26.146 Prevailing Section: To the extent that any provision of this Section (Section 26 - Health, Life & Dental Care Medical, Dental & Life Insurance) is inconsistent with any provision of any other County enactment or policy, including but not limited to Administrative Bulletins, the Salary Regulations, the Personnel Management Regulations, or any other agreement or order of the Board of Supervisors, the provision(s) of this Section (Section 26 - Health, Life & Dental Care Medical, Dental & Life Insurance) will prevail.

26.4715 Rate Information. The County Benefits Division will make health and dental plan rate information available upon request to employees and departments. In addition, the County Benefits Division will publish and distribute to employees and departments information about rate changes as they occur during the year.

26.4816 Partial Month. The County's contribution to the health plan premium is payable for any month in which the employee is paid. If an employee is not paid enough compensation in a month to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the Auditor-Controller. The responsibility for this payment rests with the employee. If payment is not made, the employee shall be dropped from the health plan.

26.4917 Coverage During Absences. Employees shall be allowed to maintain their health plan coverage at the County group rate for twelve (12) months if on approved leave of absence provided that the employee shall pay the entire premium (i.e. both employer and employee share) for the health plan during said leave. Said payment shall be made by the employee at a time and place specified by the County. Late payment shall result in cancellation of health plan coverage.

An employee on leave in excess of twelve (12) months may continue group coverage subject to the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA) provided the employee pays the entire cost of coverage, plus any administrative fees, for the option selected. The entire cost of coverage shall be paid at a place and time specified by the County. Late payment may result in cancellation of health plan coverage with no reinstatement allowed.

26.2018 Child Care. The County will continue to support the concept of non-profit child care facilities similar to the "Kid's at Work" program established in the Public Works Department.

26.2119 Health Benefit Coverage for Employees Not Otherwise Covered. To access County health plans, an employee represented by the Association who is not otherwise eligible for health coverage by the County, must be eligible to receive an
offer of coverage from the County under the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18001 et seq.). Employees eligible to receive an offer of coverage (and qualified dependents), will be offered access to County health insurance plans. Employees will be responsible for the full premium cost of coverage. This provision is not subject to the grievance process.

26.20 Health Savings Account with High Deductible Health Plan

A. Active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan may select a Health Savings Account ("HSA") offered through Kaiser Permanente under the following conditions and subject to any other laws, regulations or rules governing HSAs:

1. Only active employees who are enrolled in the Kaiser High Deductible Health Plan may elect to initially enroll in the HSA. The HSA is not available to permanent-intermittent or temporary employees.
2. Employees may only contribute up to the maximum annual contribution rate for HSAs as set forth in the United States Internal Revenue Code.
3. Funds contributed to the HSA are invested as directed by the employee. The County does not provide any recommendations or advice on investment or use of HSA funds.
4. Employees are responsible for paying any HSA account management fees charged by the HSA administrator.
5. The County does not manage or administer the HSAs.

B. For the 2019 Plan Year, the County will make a one-time contribution of five hundred dollars ($500) into the HSA for active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan for the 2019 plan year and who have an HSA. The contribution will be made with the February 10, 2019 pay.

C. For the 2020 Plan Year and each year thereafter, the County will contribute six hundred and twenty-five dollars ($625) annually into the HSA for active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan and have an HSA. The contribution will be made with the February 10 pay for the plan year.

26.21 Voluntary Vision Plan

The County will offer active employees the option to enroll in a voluntary vision plan during open enrollment. Employees will pay the full premium cost of the plan. The County will contract for a voluntary vision plan with no copays. The vision plan is not available to permanent-intermittent or temporary employees.
