Shop with the Sheriff

The Contra Costa County Office of the Sheriff is hosting the 5th annual *Shop with the Sheriff*. This holiday season 25 deserving elementary school aged children from West Contra Costa County will receive Christmas gifts and be able to buy presents for their families thanks to generous donations. The event pairs the children with Contra Costa County Sheriff David Livingston and uniformed Deputy Sheriffs, who take them for some holiday fun and shopping at the local Walmart.

"The Shop with the Sheriff event is a great way for us to bond with children and youth," said Contra Costa Sheriff David Livingston. "It is our way of giving back to the community. It is by far one of our favorite days of the year."

Media representatives are invited to cover this event.
