FOR IMMEDIATE RELEASE

*Contra Costa County Public Works Reminds Drivers to Observe Caution
During the Brentwood U-Pick Season*

May 6, 2019, Brentwood, CA – Contra Costa County Public Works Department (CCCPWD) has placed a message board on Walnut Boulevard (North of Marsh Creek Road) in close proximity to the farms participating in the U-Pick season. The sign reads, "Harvest season, drive safely" to remind drivers to observe traffic laws and remain safe during the busy harvest season. Residents and U-Pick participants should expect delays during this time.

The Public Works Department encourages everyone to please obey all traffic laws and plan your route accordingly in the surrounding area. The U-Pick season has over 180,000 visitors each year. Delays should be expected on Highway 4 from Knightsen through Byron. For a map of the farms participating in the festival, please click [here](#).

About Contra Costa County Public Works Department:

CCCPWD maintains over 660 miles of roads, 150 miles of streams, channels and other drainage and over 200 County buildings throughout Contra Costa County.
