MEDIA RELEASE: Veterans' Voices to Explore Honor Flights

Veterans to explore *Honor Flights* on “Veterans’ Voices” local, live talk show produced by Veterans for the community. On **August 19th, 2019 from 7pm to 8pm**, we will hear from the Honor Flights Bay Area Program, and a panel of Veterans about the experience of participating in an honor flight.

The Veterans’ Voices monthly program can be seen [live online](#) on the County’s website and [Facebook@Veteransvoices1](#). The show will broadcast live and re-run multiple times on Contra Costa Television (CCTV) at www.contracostatv.org. CCTV can be found on Comcast Channel 27, Astound Channel 32, and AT&T U-Verse Channel 99 throughout Contra Costa County.

According to the Department of Veterans Affairs, an estimated 640 WWII veterans die each day. That’s why time is of the essence for the Honor Flight Program. Honor Flight is a non-profit organization that facilitates cost-free trips for multiple generations of Veterans to experience our nation’s most valuable memorials. Best of all, it is a gathering of America’s Veterans in our nation’s capital, alongside guardians and family members, creating special memories as they reflect at the memorials built in honor of them. There are currently 140 Honor Flight Network regional hubs across the United States.

Viewers can share their own experiences or ask a question by calling into the program at: 925-313-1170, Facebook @Veteransvoices 1 or email veteransvoices@contracostatv.org
