North Richmond Waste & Recovery Mitigation Fee
Amended 2019/20 Expenditure Plan

The Waste & Recovery Mitigation Fee was established as a result of the Draft Environmental Impact Report (EIR) dated November 2003 for the WCCSL Bulk Materials Processing Center (BMPC) and Related Actions (Project). The Project involved new and expanded processing and resource recovery operations on both the incorporated and unincorporated area of the Project site, which the EIR concluded would impact the host community. To mitigate this impact Mitigation Measure 4-5 called for a Mitigation Fee to benefit the host community, described as follows:

“Mitigation Fee. The facility operator shall pay a Mitigation Fee of an amount to be determined by the applicable permitting authority(ies) to defray annual costs associated with collection and disposal of illegally dumped waste and associated impacts in North Richmond and adjacent areas. The mitigation fee should be subject to the joint-control of the City and County and should be collected on all solid waste and processible materials received at the facility consistent with the existing mitigation fee collected at the Central IRRF.”

In July 2004, the City of Richmond and Contra Costa County entered into a Memorandum of Understanding (MOU) agreeing to jointly administer Mitigation Fee monies collected from the BMPC for the benefit of the incorporated and unincorporated North Richmond area. This North Richmond Waste & Recovery Mitigation Fee Joint Expenditure Planning Committee (Committee) was formed pursuant to the terms of the MOU for the specific purpose of preparing a recommended Expenditure Plan. This Expenditure Plan provides a means to jointly administer the Mitigation Fee funding for the benefit of the host community, as described in the EIR. The Expenditure Plan is subject to final approval of the Richmond City Council and the Contra Costa County Board of Supervisors.

By approving this Expenditure Plan, the City Council and Board of Supervisors authorize the use of Mitigation Fee funding for only the purposes and in the amounts specified herein. The City and County have each designated their respective staff persons responsible for administering the development and implementation of the approved Expenditure Plan, which includes responsibility for drafting and interpreting Expenditure Plan language. However, the City and County have not delegated to the Committee or to staff the authority to expend funding for purposes not clearly identified in the Expenditure Plan document officially approved by their respective decision-making bodies.

Activities which can be funded in this Expenditure Plan period with the Mitigation Fee amounts specified within this Expenditure Plan are described herein as “Strategies” or “Staff Costs”. Strategies are categorized as either “Core Services” or “Supplemental Enhancements”. Core Services includes the higher funding priority strategies that most directly address the intended purpose of this City/County approved Mitigation Fee, “to defray annual costs associated with collection and disposal of illegally dumped waste and associated impacts in North Richmond”.

All references to the “Mitigation Fee Primary Funding Area” or “Mitigation Fee Funding Area” pertain to the geographic area shown in the attached map (Attachment 4).

BUDGET
The funding allocation amounts included in this document apply to the Expenditure Plan Period specified on the first page unless otherwise specified herein. The total amount of funding allocated in the Expenditure Plan Budget is based on revenue projections provided by the BMPC operator, Republic Service, which are dependent upon multiple variables (e.g., number of tons of recovered materials vs. solid waste, per ton gate rate charged and amount of CPI-adjusted per ton Mitigation Fee). Actual Mitigation Fee revenue may deviate from revenue projections provided by Republic and used to prepare this Budget. A “Contingency” line item is included in the Budget to help accommodate variations between projected and actual revenue. Excess funding allocated to strategies and not expended by the end of each Expenditure Plan period is treated as “roll-over” funding for reallocation in a subsequent Expenditure Plan period.

The Budget includes some line items that are based on fixed costs, however there are other line items which are scalable and/or dependent on utilization thereby providing flexibility to reallocate amounts if and when a significant need is identified. Allocated funding may remain unspent due to under-utilization of a particular program. If the amount allocated to a particular line item is determined to exceed needs based upon usage, the remaining funding can only be reallocated by officially amending the Expenditure Plan. This Expenditure Plan may only be adjusted upon official action taken by both the City and County. Although there has been some interest in allowing flexibility for staff to adjust funding allocations under specific circumstances, the authority to approve or modify the Expenditure Plan rests solely with the City Council and Board of Supervisors.

Annual fiscal year Expenditure Plan cycle is expected to reduce margin of error of Mitigation Fee revenue projects, streamline financial reconciliation/budgeting process and minimize need to amend Expenditure Plans mid-cycle. Amending Expenditure Plans involve administrative burden and costs due to the joint approval needed from both the Richmond City Council and County Board of Supervisors. In order to minimize the amount of funding needed to cover staff costs incurred to amend the Expenditure Plan, staff will only recommend changes to the Expenditure Plan when necessary to address a significant and time-sensitive need.

The Men & Women of Valor Proposal application was considered at the NRMF Committee Meeting on June 8th and allocated funding as shown in this Attachment.

² For the non-profit entities, costs to have 3rd party organization (CHDC) manage and oversee contracts with Organizations selected for funding is up to twenty (20) percent (%) of award amount after first taking out City/County Contracting cost for $3,000 for City/County to contract directly with CHDC to have CHDC administer non-profit contracts.
