

Rodeo Creek Trail

This two and one-half mile trail runs along Rodeo Creek from Mariners Point to Investment Street in Rodeo, CA. It features lush plantings of indigenous trees, shrubs, grasses and wildflowers and is a natural riparian corridor. The periodic placement of benches and picnic tables creates a tranquil respite to observe the creek habitat. For pedestrians, bicyclists and people with disabilities, Rodeo Creek Trail is a link between neighborhoods, the business/shopping district, and public transportation.
