III. Background

In 2011, the California Legislature passed the Public Safety Realignment Act (AB 109), which transferred responsibility for housing and supervising certain individuals, who have been convicted of specific low-level felonies, from the California Department of Corrections and

Rehabilitation to counties. This Act tasked local government at the county level with developing a new approach to reducing recidivism for this “realigned” population. AB 109 took effect October 1, 2011 and realigned three major areas of the criminal justice system.

On a prospective basis, the legislation:

- Transferred the location of incarceration, pursuant to Penal Code 1170 (h), from state prison to local county jail for individuals convicted of specified felonies that are nonviolent, non-serious, and non-sex crimes, and provided for local post-release Mandatory Supervision of such individuals upon their release;
- Transferred responsibility from the state to counties for the community supervision of individuals when they are released from custody after completing a prison sentence for specified felonies that are nonviolent, non-serious, and non-sex crimes by creating a new category of local supervision called Post-Release Community Supervision (PRCS);
- Transferred the housing responsibility for parole and PRCS revocations such that custody time is now served in local county jails.

AB 109 also created an Executive Committee for each county’s Community Corrections Partnership (CCP) and tasked this committee with recommending a plan for implementing Public Safety Realignment to the County Board of Supervisors. The Executive Committee of the CCP is composed of the County Probation Officer (Chair), Sheriff-Coroner, a Chief of Police (represented on a rotating appointment by a Chief of Police of a city within the County), District Attorney, Public Defender, Presiding Judge of the Superior Court or designee (represented by the Court Executive Officer), and the County Employment and Human Services Director. The Contra Costa County Board of Supervisors adopted the Contra Costa County Realignment Plan on October 4, 2011 (Agenda Item D.5).

On August 24, 2012 the Executive Committee of the CCP unanimously agreed that the following goals would guide the planning for Public Safety Realignment:¹

- Use a holistic, systemic, and inclusive approach that involves federal, state and local government stakeholders, community organizations, advocates, the formerly incarcerated, and family and community members;
- Adopt strategies that draw on evidence-based approaches and practices;
- Target high- to moderate-risk probationers and parolees through the use of evidence-based tools;
- Emphasize geographic areas from which a disproportionate number of formerly incarcerated people are drawn and to which they return;
- Incorporate assessment and case management tools targeting continuous reentry planning, beginning at the point of admission to the criminal justice system, and working through pre- and post-release;
- Embrace a commitment to the continuous and appropriate delivery of drug treatment, medical care, job training and placement, educational services, cognitive behavioral

¹The goals were derived from the County’s 2010 Reentry Strategic Plan available at: <https://www.contracosta.ca.gov/DocumentCenter/View/25650/2011-Reentry-Strategic-Plan>

therapy and/or other services essential to reentry;

- Provide for independent evaluations of reentry programs using, when feasible, random assignment and controlled studies to determine effectiveness of programs and services provided; and
- Reduce crime, increase public protection, and protect people from further victimization.

A Community Advisory Board (CAB) was formally recognized by the CCP Executive Committee in December 2012 to provide input on community needs, assess implementation of the realignment plan, review data on realignment outcomes, advise the CCP on community engagement strategies, offer recommendations for ongoing realignment planning, advise County agencies regarding programs for implementation in the County, and encourage outcomes that are consistent with the County's Reentry Strategic Plan.² Since 2011 the CAB has made annual recommendations to the CCP Executive Committee on the funding of programs and services that would aid in the effort to reduce recidivism and improve reentry outcomes for the "realigned" population.

CAB has also made numerous policy recommendations that are intended to improve access to, and delivery of, reentry services provided to the "realigned" population by both County and contracted agencies. Among CAB's recommendations was the creation of an Office of Reentry and Justice to better align and coordinate the County's complex array of reentry and justice related initiatives. The ORJ was created in January 2017 and continues to provide the County with a ready source for subject matter expertise, knowledge of best practices, program evaluation, and project administration. The ORJ provides both management and oversight of the contracted community programs that are funded with revenue from AB 109.

To help residents successfully reintegrate into communities after a period of incarceration, the County provides a reentry service delivery system comprised of the most needed core services supplemented by additional supportive services that can be accessed through a first-stop service hub. A key element to this approach is being able to provide the returning resident with an environment where they are able to successfully leverage the benefits of stable housing and gainful employment into an ability to meet other identified needs and overcome barriers to their reintegration.

In 2019, the County entered into three-year contracts with community-based organizations to provide the core reentry services of short- and long-term housing assistance, employment support and placement services, as well as an array of supportive services that include family reunification, mentoring, and civil legal services.

The FY 2019-20 AB 109 Public Safety Realignment Budget includes \$5,548,366 for Community Programs, allocated as follows:

² 2018 County Reentry Strategic Plan available at:
<https://www.contracosta.ca.gov/DocumentCenter/View/56655/2018-Contra-Costa-County-Reentry-Strategic-Plan>

• Employment Support and Placement Services	\$2,283,000
• Reentry Resource Center	\$546,335
• Network System of Services	\$979,000
• Short and Long-term Housing Access	\$1,322,000
• Mentoring and Family Reunification Services	\$209,000
• Civil Legal Services	\$157,000
• Connections to Resources	\$15,000
• Community Advisory Board Support	\$3,031
• Salesforce Licensing	\$34,000

To help link returning residents to the array of reentry services they may need, and also to connect service providers to those needing their services, the County funds first-stop reentry service hubs in the form of a Reentry Network System of Services (Network) that operates in the East and Central regions of the County and a Reentry Resource Center (Center) that assists individuals and families seeking reentry services in West County.

In November 2015, the West County Reentry Resource Center was opened to the public as the Reentry Success Center, located in the City of Richmond. Since that time, the Center has operated in accordance with the West County Reentry Resource Center Design and Implementation Plan (Plan).³ Since its opening, the Center has developed into a centralized first-stop location where the reentry population and their family members can go to be connected to the resources that are needed to support a person’s reentry and community reintegration efforts.

IV. Project Description

In accordance with and reflecting the Plan, the Contractor will operate the Center as a collective impact initiative, partnering with multiple public agencies and private nonprofit organizations (the Partners) to provide co-located, integrated, on-site services to support each Client’s successful reintegration into the community and increase public safety by reducing recidivism.

Consistent with this model, the Center will be managed by an administrative staff that will serve as the “backbone” to operate the Center and to support, coordinate, and oversee the work of the Partners. Partners will place staff on-site, on schedules to be determined by the Center and the Partners, to provide accessible, appropriate, and responsive services. It is expected that the Partners will provide their staff as in-kind donations and will not be directly compensated through the Center’s budget.

As explained in the Plan, while operating under the ultimate authority of the Board of Supervisors, the Center’s work will be governed by a Steering Committee comprised of public, nonprofit, and community representatives. The Contractor is expected to collaborate with the Steering Committee to guide the Center’s work to achieve collective impact, accomplish its mission, and ensure long-term sustainability.

³ Available at <https://www.contracosta.ca.gov/DocumentCenter/View/30064/West-County-Reentry-Resource-Center-plan?bidId=>

Operating an important element within the County’s larger system of care, the Center is expected to work with multiple stakeholders to accomplish its work and advance the reentry system’s excellence, efficiency, and effectiveness across the County.

The Center is also expected to collaborate with the Office of Reentry & Justice and the Central/East County Network System of Service to advance the countywide reentry system’s integration and ability to effectively deliver quality reentry services.

V. Funding

Up to \$1,740,000 (one million seven hundred and forty thousand dollars) have been allocated to fund the implementation of a West County Reentry Resource Center as described in this solicitation for three years beginning on July 1, 2020, and with an expected end date of June 30, 2023.

General Contract Conditions

1. **Compliance with Law**. Contractor is subject to and must comply with all applicable federal, state, and local laws and regulations with respect to its performance under this Contract, including but not limited to, licensing, employment, and purchasing practices; and wages, hours, and conditions of employment, including nondiscrimination.
2. **Inspection**. Contractor's performance, place of business, and records pertaining to this Contract are subject to monitoring, inspection, review and audit by authorized representatives of the County, the State of California, and the United States Government.
3. **Records**. Contractor must keep and make available for inspection and copying by authorized representatives of the County, the State of California, and the United States Government, the Contractor's regular business records and such additional records pertaining to this Contract as may be required by the County.
 - a. **Retention of Records**. Contractor must retain all documents pertaining to this Contract for five years from the date of submission of Contractor's final payment demand or final Cost Report; for any further period that is required by law; and until all federal/state audits are complete and exceptions resolved for this Contract's funding period. Upon request, Contractor must make these records available to authorized representatives of the County, the State of California, and the United States Government.
 - b. **Access to Books and Records of Contractor, Subcontractor**. Pursuant to Section 1861(v)(1) of the Social Security Act, and any regulations promulgated thereunder, Contractor must, upon written request and until the expiration of five years after the furnishing of services pursuant to this Contract, make available to the County, the Secretary of Health and Human Services, or the Comptroller General, or any of their duly authorized representatives, this Contract and books, documents, and records of Contractor necessary to certify the nature and extent of all costs and charges hereunder.

Further, if Contractor carries out any of the duties of this Contract through a subcontract with a value or cost of \$10,000 or more over a twelve-month period, such subcontract must contain a clause to the effect that upon written request and until the expiration of five years after the furnishing of services pursuant to such subcontract, the subcontractor must make available to the County, the Secretary, the Comptroller General, or any of their duly authorized representatives, the subcontract and books, documents, and records of the subcontractor necessary to verify the nature and extent of all costs and charges thereunder.

This provision is in addition to any and all other terms regarding the maintenance or retention of records under this Contract and is binding on the heirs, successors, assigns and representatives of Contractor.

4. **Reporting Requirements**. Pursuant to Government Code Section 7550, Contractor must include in all documents and written reports completed and submitted to County in accordance

with this Contract, a separate section listing the numbers and dollar amounts of all contracts and subcontracts relating to the preparation of each such document or written report. This section applies only if the Payment Limit of this Contract exceeds \$5,000.

5. **Termination and Cancellation.**

- a. **Written Notice.** This Contract may be terminated by either party, in its sole discretion, upon thirty-day advance written notice thereof to the other, and may be cancelled immediately by written mutual consent.
- b. **Failure to Perform.** County, upon written notice to Contractor, may immediately terminate this Contract should Contractor fail to perform properly any of its obligations hereunder. In the event of such termination, County may proceed with the work in any reasonable manner it chooses. The cost to County of completing Contractor's performance will be deducted from any sum due Contractor under this Contract, without prejudice to County's rights to recover damages.
- c. **Cessation of Funding.** Notwithstanding any contrary language in Paragraphs 5 and 11, in the event that federal, state, or other non-County funding for this Contract ceases, this Contract is terminated without notice.

6. **Entire Agreement.** This Contract contains all the terms and conditions agreed upon by the parties. Except as expressly provided herein, no other understanding, oral or otherwise, regarding the subject matter of this Contract will be deemed to exist or to bind any of the parties hereto.

7. **Further Specifications for Operating Procedures.** Detailed specifications of operating procedures and budgets required by this Contract, including but not limited to, monitoring, evaluating, auditing, billing, or regulatory changes, may be clarified in a written letter signed by Contractor and the department head, or designee, of the county department on whose behalf this Contract is made. No written clarification prepared pursuant to this Section will operate as an amendment to, or be considered to be a part of, this Contract.

8. **Modifications and Amendments.**

- a. **General Amendments.** In the event that the total Payment Limit of this Contract is less than \$100,000 and this Contract was executed by the County's Purchasing Agent, this Contract may be modified or amended by a written document executed by Contractor and the County's Purchasing Agent or the Contra Costa County Board of Supervisors, subject to any required state or federal approval. In the event that the total Payment Limit of this Contract exceeds \$100,000 or this Contract was initially approved by the Board of Supervisors, this Contract may be modified or amended only by a written document executed by Contractor and the Contra Costa County Board of Supervisors or, after Board approval, by its designee, subject to any required state or federal approval.

- b. **Minor Amendments.** The Payment Provisions and the Service Plan may be amended by a written administrative amendment executed by Contractor and the County Administrator (or designee), subject to any required state or federal approval, provided that such administrative amendment may not increase the Payment Limit of this Contract or reduce the services Contractor is obligated to provide pursuant to this Contract.

9. **Disputes.** Disagreements between County and Contractor concerning the meaning, requirements, or performance of this Contract shall be subject to final written determination by the head of the county department for which this Contract is made, or his designee, or in accordance with the applicable procedures (if any) required by the state or federal government.

10. **Choice of Law and Personal Jurisdiction.**
 - a. This Contract is made in Contra Costa County and is governed by, and must be construed in accordance with, the laws of the State of California.
 - b. Any action relating to this Contract must be instituted and prosecuted in the courts of Contra Costa County, State of California.

11. **Conformance with Federal and State Regulations and Laws.** Should federal or state regulations or laws touching upon the subject of this Contract be adopted or revised during the term hereof, this Contract will be deemed amended to assure conformance with such federal or state requirements.

12. **No Waiver by County.** Subject to Paragraph 9. (Disputes) of these General Conditions, inspections or approvals, or statements by any officer, agent or employee of County indicating Contractor's performance or any part thereof complies with the requirements of this Contract, or acceptance of the whole or any part of said performance, or payments therefor, or any combination of these acts, do not relieve Contractor's obligation to fulfill this Contract as prescribed; nor is the County thereby prevented from bringing any action for damages or enforcement arising from any failure to comply with any of the terms and conditions of this Contract.

13. **Subcontract and Assignment.** This Contract binds the heirs, successors, assigns and representatives of Contractor. Prior written consent of the County Administrator or his designee, subject to any required state or federal approval, is required before the Contractor may enter into subcontracts for any work contemplated under this Contract, or before the Contractor may assign this Contract or monies due or to become due, by operation of law or otherwise.

14. **Independent Contractor Status.** The parties intend that Contractor, in performing the services specified herein, is acting as an independent contractor and that Contractor will control the work and the manner in which it is performed. This Contract is not to be construed to create the relationship between the parties of agent, servant, employee, partnership, joint

venture, or association. Contractor is not a County employee. This Contract does not give Contractor any right to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits County provides to its employees. In the event that County exercises its right to terminate this Contract, Contractor expressly agrees that it will have no recourse or right of appeal under any rules, regulations, ordinances, or laws applicable to employees.

15. **Conflicts of Interest.** Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Contract, no person having any such interests will be employed by Contractor. If requested to do so by County, Contractor will complete a "Statement of Economic Interest" form and file it with County and will require any other person doing work under this Contract to complete a "Statement of Economic Interest" form and file it with County. Contractor covenants that Contractor, its employees and officials, are not now employed by County and have not been so employed by County within twelve months immediately preceding this Contract; or, if so employed, did not then and do not now occupy a position that would create a conflict of interest under Government Code section 1090. In addition to any indemnity provided by Contractor in this Contract, Contractor will indemnify, defend, and hold the County harmless from any and all claims, investigations, liabilities, or damages resulting from or related to any and all alleged conflicts of interest. Contractor warrants that it has not provided, attempted to provide, or offered to provide any money, gift, gratuity, thing of value, or compensation of any kind to obtain this Contract.
16. **Confidentiality.** To the extent allowed under the California Public Records Act, Contractor agrees to comply and to require its officers, partners, associates, agents and employees to comply with all applicable state or federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that no person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service. Contractor agrees to inform all employees, agents and partners of the above provisions, and that any person knowingly and intentionally disclosing such information other than as authorized by law may be guilty of a misdemeanor.
17. **Nondiscriminatory Services.** Contractor agrees that all goods and services under this Contract will be available to all qualified persons regardless of age, gender, race, religion, color, national origin, ethnic background, disability, or sexual orientation, and that none will be used, in whole or in part, for religious worship.
18. **Indemnification.** Contractor will defend, indemnify, save, and hold harmless County and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death, or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services

provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control. If requested by County, Contractor will defend any such suits at its sole cost and expense. If County elects to provide its own defense, Contractor will reimburse County for any expenditures, including reasonable attorney's fees and costs. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Contractor is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Contract.

19. **Insurance.** During the entire term of this Contract and any extension or modification thereof, Contractor shall keep in effect insurance policies meeting the following insurance requirements unless otherwise expressed in the Special Conditions:

- a. **Commercial General Liability Insurance.** For all contracts where the total payment limit of the contract is \$500,000 or less, Contractor will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of \$500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include County and its officers and employees as additional insureds as to all services performed by Contractor under this Contract. Said policies must constitute primary insurance as to County, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor's insurance policy or policies. Contractor must provide County with a copy of the endorsement making the County an additional insured on all commercial general liability policies as required herein no later than the effective date of this Contract. For all contracts where the total payment limit is greater than \$500,000, the aforementioned insurance coverage to be provided by Contractor must have minimum combined single limit coverage of \$1,000,000.
- b. **Workers' Compensation.** Contractor must provide workers' compensation insurance coverage for its employees.
- c. **Certificate of Insurance.** The Contractor must provide County with (a) certificate(s) of insurance evidencing liability and worker's compensation insurance as required herein no later than the effective date of this Contract. If Contractor should renew the insurance policy(ies) or acquire either a new insurance policy(ies) or amend the coverage afforded through an endorsement to the policy at any time during the term of this Contract, then Contractor must provide (a) current certificate(s) of insurance.

- d. **Additional Insurance Provisions.** No later than five days after Contractor's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Contractor's insurance coverage required by this Contract; or (ii) a notice of a material change to Contractor's insurance coverage required by this Contract, Contractor will provide Department a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Contractor's failure to provide Department the notice as required by the preceding sentence is a default under this Contract
20. **Notices.** All notices provided for by this Contract must be in writing and may be delivered by deposit in the United States mail, postage prepaid. Notices to County must be addressed to the head of the county department for which this Contract is made. Notices to Contractor must be addressed to the Contractor's address designated herein. The effective date of notice is the date of deposit in the mails or of other delivery, except that the effective date of notice to County is the date of receipt by the head of the county department for which this Contract is made.
21. **Primacy of General Conditions.** In the event of a conflict between the General Conditions and the Special Conditions, the General Conditions govern unless the Special Conditions or Service Plan expressly provide otherwise.
22. **Nonrenewal.** Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased by County under a new contract following expiration or termination of this Contract, and Contractor waives all rights or claims to notice or hearing respecting any failure to continue purchasing all or any such services from Contractor.
23. **Possessory Interest.** If this Contract results in Contractor having possession of, claim or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue & Taxation Code Section 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest. Contractor agrees that this provision complies with the notice requirements of Revenue & Taxation Code Section 107.6, and waives all rights to further notice or to damages under that or any comparable statute.
24. **No Third-Party Beneficiaries.** Nothing in this Contract may be construed to create, and the parties do not intend to create, any rights in third parties.
25. **Copyrights, Rights in Data, and Works Made for Hire.** Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of the County Administrator. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in

connection with this Contract are “works made for hire” (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for County, and Contractor unconditionally and irrevocably transfers and assigns to Agency all right, title, and interest, including all copyrights and other intellectual property rights, in or to the works made for hire. Unless required by law, Contractor shall not publish, transfer, discuss, or disclose any of the above-described works made for hire or any information gathered, discovered, or generated in any way through this Agreement, without County’s prior express written consent. If any of the works made for hire is subject to copyright protection, County reserves the right to copyright such works and Contractor agrees not to copyright such works. If any works made for hire are copyrighted, County reserves a royalty-free, irrevocable license to reproduce, publish, and use the works made for hire, in whole or in part, without restriction or limitation, and to authorize others to do so.

26. **Endorsements.** In its capacity as a contractor with Contra Costa County, Contractor will not publicly endorse or oppose the use of any particular brand name or commercial product without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not publicly attribute qualities or lack of qualities to a particular brand name or commercial product in the absence of a well-established and widely accepted scientific basis for such claims or without the prior written approval of the Board of Supervisors. In its County-contractor capacity, Contractor will not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as an endorsement of the product by or on behalf of Contra Costa County. Notwithstanding the foregoing, Contractor may express its views on products to other contractors, the Board of Supervisors, County officers, or others who may be authorized by the Board of Supervisors or by law to receive such views.

27. **Required Audit.** (A) If Contractor is funded by \$750,000 or more in federal grant funds in any fiscal year from any source, Contractor must provide to County, at Contractor's expense, an audit conforming to the requirements set forth in the most current version of Office of Management and Budget Circular A-133. (B) If Contractor is funded by less than \$750,000 in federal grant funds in any fiscal year from any source, but such grant imposes specific audit requirements, Contractor must provide County with an audit conforming to those requirements. (C) If Contractor is funded by less than \$750,000 in federal grant funds in any fiscal year from any source, Contractor is exempt from federal audit requirements for that year; however, Contractor's records must be available for and an audit may be required by, appropriate officials of the federal awarding agency, the General Accounting Office (GAO), the pass-through entity and/or the County. If any such audit is required, Contractor must provide County with such audit. With respect to the audits specified in (A), (B) and (C) above, Contractor is solely responsible for arranging for the conduct of the audit, and for its cost. County may withhold the estimated cost of the audit or 10 percent of the contract amount, whichever is greater, or the final payment, from Contractor until County receives the audit from Contractor.

28. **Authorization.** Contractor, or the representative(s) signing this Contract on behalf of Contractor, represents and warrants that it has full power and authority to enter into this Contract and to perform the obligations set forth herein.

29. **No Implied Waiver.** The waiver by County of any breach of any term or provision of this Contract will not be deemed to be a waiver of such term or provision or of any subsequent breach of the same or any other term or provision contained herein.
