March 5, 2020

On Tuesday, March 10, 2020 the Contra Costa County Board of Supervisors will consider issuing an emergency proclamation to deal with the potential spread of the Novel Coronavirus (COVID-19). A county emergency proclamation is a prudent step that would allow our health department to mobilize county resources, accelerate emergency planning, streamline staffing, coordinate agencies across the county, allow for future reimbursement by the state and federal governments, and raise awareness about how everyone can prepare in the event that COVID-19 begins to spread in our community.
