

NOTICE OF PROPERTY TAX DELINQUENCY AND IMPENDING DEFAULT

(Rev. & Tax. Code, §§ 3351-3353)

I, Russell V. Watts, Contra Costa County Tax Collector, State of California, certify as follows:

That at 12:01 a.m. on July 1, 2023, by operation of law, any real properties (unless previously tax-defaulted and not redeemed) that have any delinquent taxes, assessments, or other charges levied for the fiscal year 2022 - 2023, and/or delinquent supplemental taxes levied for any year prior to 2022 - 2023, shall be declared tax-defaulted.

That a detailed list of all properties remaining tax-defaulted as of July 1, 2023, and not redeemed prior to being submitted for publication, shall be published on or before September 8, 2026.

That unless the property is completely redeemed through payment of all unpaid amounts together with penalties and fees prescribed by law or an installment plan is initiated and maintained, the property will become tax-defaulted and may be subsequently sold at a tax sale in satisfaction of the tax lien. Information concerning redemption or the initiation of an installment plan of redemption of tax-defaulted property will be furnished, upon request, by Russell V. Watts, Contra Costa County Tax Collector, 625 Court St., Room 100, Finance Building, Martinez, California, (925) 608-9500.

I certify under penalty of perjury that the foregoing is true and correct.

NOTICE OF IMPENDING POWER TO SELL TAX-DEFAULTED PROPERTY

(Rev. & Tax. Code, §§ 3361, 3362)

Pursuant to Revenue and Taxation Code Sections 3691 and 3692.4, the following conditions will, by operation of law, subject real property to the tax collector's power to sell:

- All property for which property taxes and assessments have been in default for five or more years
- All nonresidential commercial property for which property taxes and assessments have been in default for three or more years.
- Any property the tax collector has received a request to bring the property to the next scheduled tax sale from a person of entity that has a nuisance abatement lien recorded against the property and for which property taxes and assessments have been in default for three or more years.
- Any property that has been identified and requested for purchase by a city, county, city and county or nonprofit organization to serve the public benefit by providing housing or services directly related to low-income persons and for which property taxes and assessment have been in default for three or more years.

Note: The power to sell schedule for nonresidential commercial property is three or more years of tax-default status, unless the county adopts, by ordinance or resolution, the five year tax default schedule.

The parcels listed herein meet one or more of the conditions listed above and thus, will become subject to the tax collector's power to sell on July 1, 2023, at 12:01 a.m., by operation of law. The tax collector's power to sell will arise unless the property is either redeemed or made subject to an installment plan of redemption initiated as provided by law prior to the close of business on the last business day of June 2023. The right to an installment plan terminates on the last business day of June 2023, and, after that date, the entire balance due must be paid in full to prevent sale of the property at a tax sale. The right of redemption survives the property becoming subject to the power to sell, but terminates at the close of business on the last business day before the actual sale of the property by the tax collector.

All information concerning redemption or the initiation of an installment plan of redemption will be furnished, upon request, by Russell V. Watts, Contra Costa County Tax Collector, 625 Court St., Room 100, Finance Building, Martinez, CA, (925) 608-9500.

The amount to redeem for June 2023 in dollars and cents, is shown opposite its parcel number and next to the name of the assessee.

I certify under penalty of perjury that the foregoing is true and correct.
