

Contra Costa County Deferred Compensation Plan Features and Highlights

About the Deferred Compensation Plan

The Contra Costa County Deferred Compensation Plan is a governmental 457(b) plan. It is a retirement savings plan that allows eligible employees to supplement any existing retirement and pension benefits by saving and investing before-tax dollars through a voluntary salary contribution. Contributions and any earnings on contributions are tax deferred until money is withdrawn. Distributions are subject to ordinary income tax.

Enrollment

Upon employment, all eligible employees are immediately able to participate. You may contact your Human Resources benefits representative to learn more about the enrollment process:

2023 contribution limits

- Combined maximum limit of 100% of your compensation or \$22,500 in 2023, whichever is less, for all deferred compensation plan contributions.
- The age 50+ catch up allows participants turning age 50 or older in 2023 to contribute an additional \$7,500.
- The special catch-up option allows participants in the three calendar years prior to normal retirement age (as defined by the Plan) to contribute more (up to double the annual contribution limit — \$45,000). The amount that you may be able to contribute under the special catch-up option will depend upon the amounts that you were eligible to contribute in previous years but did not.

Please note that you may not use the special catch-up provision and the age 50+ catch-up provision in the same year. Generally, the maximum contribution amount may be indexed for inflation in subsequent years.

To increase your paycheck contribution amount, you will need to access Contra Costa County Employee Self-Service (ESS) to request the **change**.*

For detailed instructions please refer to the Deferred Compensation **Change Request Document**.

Please reach out to your Human Resources contact to determine your eligibility for employer contributions.

** Please note this applies only to Contra Costa County employees. Additionally, you may contact your Human Resources benefits representative for assistance.*

Vesting schedule

Vesting refers to the percentage of your account you are entitled to receive upon the occurrence of distributable events. Employee and employer contributions and any earnings are always 100% vested (including rollovers from previous employers).

Investment options¹

A wide array of core investment options are available through your Plan. Investment option information is available on the website at www.contracosta457.com or you can call the voice response system toll free at **(833) 457-COCO (833-457-2626)**. The website and the voice response system are available to you 24 hours a day, seven days a week.²

In addition, a self-directed brokerage account option (SDBA) through Charles Schwab & Co., Inc. (Member SIPC), is offered for an additional fee. The SDBA is intended for knowledgeable investors who understand the risks associated with the SDBA. Each option is explained in further detail in your Plan's fund fact sheets.

Carefully consider the investment option's objectives, risks, fees and expenses. Contact Empower for a prospectus, summary prospectus or disclosure document containing this information. For prospectuses related to investments in your self-directed brokerage account (SDBA), contact Charles Schwab at 888-393-PCRA (7272). Read them carefully before investing.

Roth option

The Contra Costa County Deferred Compensation Plan now accepts Roth 457 contributions, giving you the flexibility to designate all or a portion of your 457 elective deferrals as Roth contributions.

Read these highlights to learn more about your Plan. If there are any discrepancies between this flyer and the Plan Document, the Plan Document will govern.

Roth option (Continued)

How are Roth 457 contributions different from before-tax 457 contributions? Roth contributions are made with after-tax dollars as opposed to the before-tax dollars you traditionally contribute to a 457(b) plan. In other words, with the Roth option, you've already paid taxes.

There are transaction costs to participate in the SDBA, and a \$50 annual fee. Visit the website at www.contracosta457.com for more information.
