North Richmond Waste & Recovery Mitigation Fee
Preliminary 2012/2013 Expenditure Plan

INTRODUCTION
The Waste & Recovery Mitigation Fee was established as a result of the Draft Environmental Impact Report (EIR) dated November 2003 for the WCCSL Bulk Materials Processing Center (BMPC) and Related Actions (Project). The Project involved new and expanded processing and resource recovery operations on both the incorporated and unincorporated area of the Project site, which the EIR concluded would impact the host community. To mitigate this impact Mitigation Measure 4-5 called for a Mitigation Fee to benefit the host community, described as follows:

“Mitigation Fee. The facility operator shall pay a Mitigation Fee of an amount to be determined by the applicable permitting authority(ies) to defray annual costs associated with collection and disposal of illegally dumped waste and associated impacts in North Richmond and adjacent areas. The mitigation fee should be subject to the joint-control of the City and County and should be collected on all solid waste and processible materials received at the facility consistent with the existing mitigation fee collected at the Central IRRF.”

In July 2004, the City of Richmond and Contra Costa County entered into a Memorandum of Understanding (MOU) agreeing to jointly administer Mitigation Fee monies collected from the BMPC for the benefit of the incorporated and unincorporated North Richmond area. This North Richmond Waste & Recovery Mitigation Fee Joint Expenditure Planning Committee (Committee) was formed pursuant to the terms of the MOU for the specific purpose of preparing a recommended two year Expenditure Plan. This Expenditure Plan provides a means to jointly administer the Mitigation Fee funding for the benefit of the host community, as described in the EIR. The Expenditure Plan is subject to final approval of the Richmond City Council and the Contra Costa County Board of Supervisors.

By approving this Expenditure Plan, the City Council and Board of Supervisors authorize the use of Mitigation Fee funding for only the purposes and in the amounts specified herein. The City and County have each designated their respective staff persons responsible for administering the development and implementation of the approved Expenditure Plan, which includes responsibility for drafting and interpreting Expenditure Plan language. However, the City and County have not delegated to the Committee or to staff the authority to expend funding for purposes not clearly identified in the Expenditure Plan document officially approved by their respective decision-making bodies.
BUDGET
The funding allocations shown on the Expenditure Plan Budget table are based on revenue estimates that are dependant upon multiple variables (e.g. number of tons of recovered materials vs. solid waste, per ton gate rate charged and amount of CPI-adjusted per ton Mitigation Fee). Revenue projections may deviate from those provided by Republic and used to prepare this Budget. It is likely that some adjustments will be necessary to accommodate variations between estimated and actual revenue as well as disparity between estimated and actual costs for non-fixed cost strategies. Adjustments may be needed due to under-utilization of a particular program if estimated expenditure was based on per unit cost. If the number of units allocated to a particular line item is not determined to be needed based upon usage, the remaining funding could be redistributed by officially amending the Expenditure Plan.

The Budget includes some line items that are based on fixed costs, however generally there are other line items which are scalable and/or dependant on utilization thereby providing flexibility to adjust amount allocated if and when a significant need is identified. This Expenditure Plan may only be adjusted upon official action taken by both the City and County. Although there has been some interest in allowing flexibility for staff to adjust funding allocations under specific circumstances, the authority to approve or modify the Expenditure Plan rests solely with the City Council and Board of Supervisors.

The two-year Expenditure Plan cycle was established by the City and County to minimize the administrative burden and costs associated with having to go through a joint budget approval process more than once every two years. In order to minimize the amount of funding needed to cover staff costs incurred to amend the Expenditure Plan, staff will only recommend changes to the Expenditure Plan when necessary to address a significant and time-sensitive need.

| Total Projected Revenue in 2012/2013 | $ 1,177,661 |
| Total Preliminary Expenditure Plan Budget | $ 825,205 |

{1} Strategy 14 funding is allocated among multiple Community-Based Projects, the amount recommended in this Preliminary Budget is only intended to cover previously approved Projects which are not expected to be completed until approximately February-April 2012. Only those existing Projects anticipated to be completed during this initial 6-month period are shown in the attached Community Based Projects Table.

{2} Total 2012/2013 projected revenue shown is solely the amount of fees that may be collected in 2012 & 2013, which is only a portion of the total funding expected to be allocated in the full 2012/2013 Expenditure Plan Budget. This proposed Preliminary Budget leaves $352,456 of projected 2012/2013 revenue to be allocated in the full Budget. The full Budget will also include an additional amount to be determined between March-June 2012 based upon how much Mitigation Fee revenue collected through 2011 remains unspent after covering the cost of activities completed by December 31st.
DESCRIPTION OF STRATEGIES RECOMMENDED FOR FUNDING

Funding allocations for each strategy is specified on the attached Budget Table. The funding allocation amounts are for the two-year Expenditure Plan period unless otherwise specified below or in the Budget Table.

PREVENTION

1. Bulky Item Pick-ups & Disposal Vouchers
   Provide residents in the Mitigation Fee Primary Funding Area, who prove eligibility consistent with City/County procedures, with the option of choosing to:
   - request up to one on-call pick-up service per calendar year for bulky items that are not accepted in the current on-call clean-ups through Richmond Sanitary Service (RSS); must have an active account with RSS, or
   - request up to twelve $5 vouchers for disposal at Republic’s transfer station on Parr Blvd. per calendar year (vouchers expire after six months, Mitigation Fees only pay for vouchers that are actually redeemed).

2. Neighborhood Clean-ups
   Provide at least one neighborhood and/or creek clean-up event in the Mitigation Fee Funding Area; additional clean-up event may be scheduled as funding allows.

3. Prevention Services Coordinator
   Fund a part-time Prevention Services Coordinator to assist community members interested in claiming Vouchers or Bulky-Item Pick ups, reporting illegal dumping, seeking referral/resources as well as track data related to illegally dumped waste collected by Republic Services Hot Spot Crew (including salary/benefits/overhead) on a contract basis through a non-profit or public entity.

ABATEMENT & ENFORCEMENT

4. City/County Pick-up from Right-of-Way
   Fund consolidated pick-up program (including personnel, mileage, administrative costs and equipment rental as needed) for illegal dumping in the public right-of-way located within the unincorporated & incorporated Mitigation Fee Primary Funding Area to remove items not collected by the designated RSS Hot Spot Route crew.

5. Code Enforcement Staff - County
   Fund full-time County code enforcement position (including salary/benefits and related vehicle and equipment costs), to assist with vacant/abandoned lot abatements and fencing as well as other health/building/zoning violations related to illegal dumping and blight throughout the unincorporated Mitigation Funding Area.
6. **Code Enforcement Staff - City**
   Fund full-time temporary (non-benefited) code enforcement position for six month period, to assist with foreclosed properties, vacant/abandoned lot abatements and fencing as well as other health/building/zoning violations related to illegal dumping and blight throughout the incorporated Mitigation Funding Area.

7. **Tagging Abatement**
   For 2010/2011 the City agreed to provide and not request reimbursement for consolidated tagging abatement program (including personnel, mileage, administrative costs and purchase/rental of equipment and materials) for tagging on public property and/or visible from the public right-of-way located within the unincorporated & incorporated Mitigation Fee Primary Funding Area.

8. **Illegal Dumping Law Enforcement (Investigations & Patrols)**
   Fund approximately 94% of a full-time Sheriff Deputy (including salary/benefits, overtime, uniform and related cell phone, equipment, and vehicle costs) to assist with law enforcement investigations and patrols to combat illegal dumping within the Mitigation Fee Primary Funding Area.

9. **Surveillance Cameras**
   Fund the purchase of cameras, camera infrastructure, camera signage and costs related to maintenance, warranty, repair & relocation of surveillance camera program equipment within the Mitigation Fee Primary Funding Area to target specific locations where illegal dumping occurs most regularly.

10. **Illegal Dumping Prosecutor**
    Fund ten percent (10%) of a community prosecutor position in order to ensure some time can be dedicated to prosecuting cases for violations that occur within the Mitigation Fee Primary Funding Area with special emphasis on instances of commercial dumping as well as other quality of life issues (e.g. alcohol abatement, environmental crimes).

**COMMUNITY INVESTMENT**

11. **Parks Rehabilitation Initiative**
    Fund a portion of the Park Improvement Grant project at Shields-Reid, including specifically the Children’s Play Area and Landscaping improvements.

12. **Capital Improvement Projects**
    Fund various capital improvement projects, including infrastructure and creek related improvements, within the Mitigation Fee Primary Funding Area. Projects may include but are not limited to:
    - Street & sidewalk improvements at railroads and railroad crossings
    - Alleyway improvements
    - Beautification and/or structural enhancements to the exterior of specific community identified structures
    - Lighting
13. **Community Services Coordinator**

Fund a full-time Community Services Coordinator (CSC) position to be staffed on a contract basis through a non-profit or public entity (including salary/benefits and overhead). The CSC shall serve as a link between the community of North Richmond, the City of Richmond, and Contra Costa County for issues related to beautification, illegal dumping, and blight; assist the City and County in implementing specified strategies from the Expenditure Plan; and coordinate specified activities related to illegal dumping and beautification within the North Richmond Primary Mitigation Funding area. Community Services Coordinator shall be bilingual in order to assist with Spanish translation as needed.

14. **North Richmond Community Based Projects**

Fund the development, implementation and oversight of a variety of community-based projects with specific focuses on anti-littering, environmental stewardship, blight reduction and/or beautification (including personnel/labor, administrative oversight, materials, equipment and related maintenance costs). Rather than funding stipend programs separately (including stipends, administrative oversight and related materials/equipment), new community-based projects/programs should include component for stipends, where appropriate, to pay local youth and/or other community members for assisting with illegal dumping prevention/abatement or beautification activities within the Mitigation Fee Primary Funding Area.

Community Based Projects to be funded would be solicited through open Request for Proposals (RFP) process(es) and could include but are not limited to:

- Neighborhood Landscaping & Gardening Projects
- Greening Project
- Community Art Programs (e.g. Tile Art, Murals or Safe Routes/Popsicle Project)
- Mentorship Programs

Detail about recommended allocation of Community Based Projects selected to date is contained in the attached Community Based Projects Table.

Contracts issued or amended by the City/County in 2011 for the Community Based Projects listed in the attached Table shall have five month contract terms which are expected to extend into 2012 (February – April depending on each contract’s effective date).

Any Community Based Project contracts issued or amended by the City/County shall incorporate Reporting & Invoicing Requirements generally consistent with those shown in Attachment 1.

Fund the design, printing and/or distribution of education and outreach materials that align with the purpose of the Mitigation Fee and Expenditure Plan and are pre-approved by staff. Outreach materials must include “Jointly funded by City of Richmond & Contra Costa County” unless otherwise specified. Outreach materials may be any of the types specified below, however must clearly intend to directly:

- Inform the community about Mitigation Fee funded programs/efforts,
- Increase participation in Mitigation funded programs/efforts,
- Reduce illegal dumping and blight in the Mitigation Fee Funding Area, and/or
- Promote beautification in the Mitigation Fee Funding Area.

The following type of outreach material expenditures may be funded if reviewed and pre-approved by staff:

17. **Neighborhood Gardening Project**  
*(Strategy and remaining allocation to be carried over from the 2008/2009 & 2010/2011 Expenditure Plans)*

- Fund the Lots of Crops project involving the establishment of a new community garden on a previously vacant lot that had been subject to dumping or blight. This community garden project:
  - relies on partnerships with local residents, non-profit and community based organizations, school groups and other community groups to start and maintain projects
  - provides the community with educational/outreach opportunities, healthy foods, and community building

18. **Removal & Disposal of Street Cans**

Fund the cost of removing and disposing up to four (4) damaged Street Cans located in the community. These Street Cans were purchased with Mitigation Fee funding during the 2006-2007 Expenditure Plan cycle and have not been in service since 2009.

**STAFF COSTS**

The amount of staff time necessary to staff the North Richmond Waste & Recovery Mitigation Fee Joint Expenditure Planning Committee as well as develop, administer, oversee and implement this Expenditure Plan during this 2-year funding cycle is not yet known. Therefore, the funding allocated is only an estimated amount needed to cover staff costs for both the City and County for calendar years 2012 and 2013.

**Total Amount Requested/Recommended**

| $375,733 | $189,600.00 |

Two rounds of Community-Based Project funding were allocated in 2010/2011 for a total of $505,000. The majority of funding was allocated in the first round of funding ($315,400) covered under contracts that require all project activities to be completed by December 31, 2011, and therefore those project dollar amounts are not reflected in this Table.

* This Table only includes the current ongoing projects and associated funding, which are not expected to be completed by the end of 2011. A total of $14,600 allocated in the 2010 for Community Based Projects ($14,000 for Verde Partnership Garden & $600 for Golden Gate Audubon Society) needs to be included in contracts that allow activities to be completed by February/March 2012. The $175,000 allocated in the last half of 2011 include contracts that also need to remain in effect until February-April 2012.
