

CONTRA COSTA COUNTY TREASURER'S OFFICE BROKER/DEALER DUE DILIGENCE QUESTIONNAIRE

SECTION I – STATEMENT OF POSITION AND GENERAL OVERVIEW

The Contra Costa County Treasurer-Tax Collector's Office (the "Treasurer's Office") manages an approximately \$4 billion investment portfolio in accordance with the Contra Costa County Investment Policy (the "Policy"), California Government Code 53600 et. seq. and other applicable laws and regulations. A most recent copy of Investment Policy can be obtained at www.cctax.us

The Treasurer's Office maintains open relationships with qualified broker/dealers who understand the needs, goals and objectives as well as constraints of the Treasurer's Office and its investment portfolio. The following questionnaire is part of due diligence review of broker/dealers by the Treasurer's Office to ensure compliance with the applicable policies, laws and regulations. Upon receipt of the properly completed due diligence questionnaire, an evaluation of the information will determine if your Firm meets the qualification standards. The Treasurer's Office reserves the right to determine broker qualifications for trade execution and to limit the number of broker/dealers used in accordance with the needs of the Treasurer's Office. Addition to the approved broker/dealers list does not constitute an obligation of the Contra Costa County Treasurer's Office to assign any trades to a broker/dealer.

The Treasurer's Office employs a fair and prudent evaluation process in determining qualification of broker/dealers and encourages all broker/dealers including local and emerging broker/dealers to complete the questionnaires for consideration by the Treasurer's Office.
