

Neighborhood Restorative Partnership Program

The Neighborhood Restorative Partnership program is a neighborhood-focused restorative justice initiative addressing root causes of criminal behavior, reducing recidivism, enhancing community relationships, and promoting public safety and quality of life. The NRP is a program in which eligible individuals are given an opportunity to take responsibility and repair the harm they caused through a community-based process, instead of a courtroom.

- Community-based pre-filing program
- Program designed to give individuals an opportunity to take responsibility and repair harm they caused.
- Community volunteers trained as panelists to find solutions that help address the harm caused by these offenses and by focusing on restoring all who have been impacted.
- If interested in becoming a panelist with the Contra Costa County District Attorney's Office, please complete application and send to:
