Thank you for your interest in local government, and welcome to Contra Costa County's 2022 Local Appointments List!

Contra Costa County is governed by a five-member Board of Supervisors elected by citizens of our county. County government also includes a variety of boards, commissions, committees, and other entities formed to advise the Board of Supervisors and county staff on issues and policy.

County advisory bodies are often created at the direction of the Supervisors to address local needs or as a result of state and federal legislation. They serve as links to our community that expand the dialogue between the public and the County government and enhance the quality of life for our residents.

We welcome the participation of the public and have a wide variety of positions available. Some of our appointed bodies have a very targeted, specific focus, while others have broad-based responsibilities.

The following list includes the seats on Contra Costa County's local advisory boards that are scheduled to expire in the upcoming year, on or prior to December 31, 2022. Additional seats may become available throughout the year and the most current information, including updated rosters and current vacancies, can be found through the [Boards & Commissions Database](#).

If you would like to apply to a board, commission, or committee, you may submit a [paper application](#) to the Clerk of the Board of Supervisors' Office via email or mail or submit an [online application](#).

We invite you to visit [our website](#) to learn more about current and upcoming opportunities to serve on local advisory bodies.

For any questions about local advisory bodies or the application process, please contact our office, the Contra Costa County Clerk of the Board of Supervisors, at ClerkoftheBoard@cob.cccounty.us or (925) 655-2000.
