## Project Update For *Danville Boulevard and Orchard Court Complete Streets Improvement*

**About the project:** The Danville Boulevard and Orchard Court Complete Streets Improvement project will improve safety of vehicle, bicycle, and pedestrian traffic along Danville Boulevard by incorporating the following improvements along the corridor:

- Improving and widening existing sidewalks and providing bicycle facilities along this segment of Danville Boulevard.
- Providing curb extensions and curb ramps compliant with the Americans with Disabilities Act
- Improving pedestrian crossing by shortening the overall length of the crosswalks and providing pedestrian refuge areas in the road medians.
- Constructing a roundabout at the intersection to reduce vehicle speeds and conflicts while maintaining movement of traffic through the intersection.
- Reconstructing sidewalks that will accommodate many of the existing mature trees along Danville Boulevard.
- Providing landscaped greenspace along the project corridor and in the roundabout center.

The project will also include drainage improvements, utility relocations, landscaping improvements, and electrical work. Access to roads and driveways will be maintained throughout the construction of the project.

**UPDATE:** Work on site is scheduled to begin on Monday, February 13<sup>th</sup>, 2023. The northernmost driveway access to the Alamo Shopping Plaza will be closed starting Monday for approximately 4 weeks. This phase of work will include temporary traffic routing for vehicles, bicycles, and pedestrians in order to reconstruct this driveway.

### **About Contra Costa County Public Works Department:**

Contra Costa County Public Works Department (CCCPWD) maintains over 660 miles of roads, 150 miles of streams, channels and other drainage and over 200 County buildings throughout Contra Costa County. CCCPWD provides services such as Parks and Recreation, Sand Bag Distribution and Flood Control throughout unincorporated areas of Contra Costa County. To learn more about CCCPWD, please visit [www.cccpublicworks.org](http://www.cccpublicworks.org)

**CONTACT:** For more information, please visit the project website page at [www.contracosta.ca.gov/danvilleblvd](http://www.contracosta.ca.gov/danvilleblvd) . If you have questions or comments about the project, please call the Project Information Line at 800-406-4260 and leave your name, phone number, and the best time to reach you, along with your comments or questions, and a member of the project team will respond within 24 hours.
