Contra Costa County Surveys Community for Arts and Culture Planning

(Martinez, CA) – What is the future of Contra Costa County's arts and cultural landscape? As part of the County's efforts to develop an Arts and Culture Strategic Plan, a survey will be available to residents during the month of April to gather community feedback.

The County has contracted with Arts Orange County as Project Manager to lead the arts and culture planning process. The goal is to guide an arts and cultural planning effort through an inclusive community engagement process that recognizes and respects the geographic and demographic diversity of the County. The process also includes an inventory of the County's arts and cultural assets, including organizations, venues, and public art.

The survey will be open until April 30, 2023. To participate, visit www.surveymonkey.com/r/NSMSL2B
