(Contra Costa County, CA) – Avoid having to make multiple stops to government offices or wait in long lines to take care of important tasks. Instead, stop by the County Services Spring Block Party.

Contra Costa County, the County's Clerk-Recorder-Elections Department and the City of Concord are collaborating to provide a fun, festive event that offers a wide variety of on-the-spot government services at one single location.

The County's annual Block Party will be held from 4 p.m. to 7 p.m., Tuesday, June 6, at the Concord Library, 2900 Salvio St., in Concord.

This is the fifth year that Contra Costa County has hosted the increasingly popular event. The "Block Party" rotates locations each year to provide opportunities to engage with different communities around the County.

"This event is designed to bring together multiple services in one location and make it easier for county residents to get things done," said District IV Supervisor Ken Carlson. "We're serving residents where they are."

"Accessibility and outreach are key goals for me as a county elected official, and the County Block Party is a great way to offer county residents accessibility to services out in the community," said Kristin B. Connelly, Clerk-Recorder and Registrar of Voters. "Our department is excited to be an integral part of this annual event."

Available services at the Block Party event will include, but are not limited to:

- Apply for CalFresh & Medi-Cal,
- Information about childcare and preschool options,
- Record with Reach from Clerk-Recorder's Office
- COVID-19 Vaccines,
- Library Card Signups,
- Weatherization information,
- Voter Registration,
- Clean Slate Program information,
- Contra Costa Television (CCTV) -- and many more programs.

Food Trucks will offer food for purchase, and parking is free.
